03. TO DISCUSS & CONSIDER FUTURE PROSPECTS FOR NILT WITH THE AFFILIATION OF “AMAN TECH” FOR WHICH A DETAILED PRESENTATION WOULD BE GIVEN BY MR. MUHAMMAD MUSADDIQ TO THE HOUSE FOR FURTHER PROCEEDING _____ :

Before initiating to the remaining Agenda points of the meeting, the matter for NILT with the affiliation of AmanTech was discussed on priority basis, as some of the members who were invited specially for participation were required to depart for their pre-occupation as such the **Chairman, PTA, Mr. Agha Saiddain** requested to Mr. Muhammad Musaddiq to submit the detailed proposal for the NILT with affiliation of Aman Tech, Karachi

Mr. Muhammad Musaddiq, who is the Chairman, BOG of NILT informed the House that the present plight of NILT, Korangi, Karachi specially financial crisis being confronted by the Institute as the approved fund available with TDAP, Karachi to the tune of **Rs.39 Million is still pending for the release** because of PEMPRA rules resultantly the Institute **is in severe financial trouble** even not in a position to pay the Salaries to the Staff and accordingly in view of these peculiar nature of circumstances the proposal submitted by **AmanTech** for necessary collaboration with PTA is found best option for smooth functioning of the NILT with necessary amendments. Mr. Muhammad Musaddiq informed the House that he already made visit to AmanTech Head office alongwith Mr.Rashid Arshad Zahur to discuss all modalities. Mr. S.M. Saleem & Mr. M. Naseem Shafi were of the opinion that PTA may approve the proposal for the affiliation of NILT with Amantech, Karachi in principle while further in deep modalities of the agreement would thoroughly be reviewed & decided by the **BOG, NILT**, who is the actual authority of the NILT having **26 Board Members after due deliberation in all respect.**

In this context, the **Chairman, PTA Mr. Agha Saiddain** also highlighted some certain clauses of the Agreement executed in 1994 between PTA & TDAP (formerly EPB) which are reproduced below for due consideration before proceeding to finalise the proposal of Amantech to avoid any ambiguity & problem in future :-

Clause 7 of the Agreement: Capital cost for the purchase of land and its construction, purchase of machinery and equipment etc. shall be provided by the (Export Promotion Bureau)/TDAP as approved by the Board of Administrators of EXPORT DEVELOPMENT FUND.

Clause 8 of the Agreement: That the Association will use the said land/machinery and equipment etc. for the aforesaid purpose and for no other purpose whatsoever.

Clause 10 of the Agreement : That if at any time the said land/institute/machinery/equipment is no longer required by the Association for the aforesaid purpose then the Association will forthwith relinquish and restore the same in favour of the (Export Promotion Bureau)/TDAP, Government of Pakistan.

Clause 11 of the Agreement : That if the Association commit a breach of any of the objection contained in the Resolution dated September 01, 1992, Ministry of Commerce, Government of Pakistan, coupled with the Minutes of the Meetings of the Board of Administrators of EDF it shall be lawful for the Ministry of Commerce, Government of Pakistan to enter upon the said land/institute and take physical possession thereof including machinery and equipment etc. and all rights of the Association in the said land/institute/machinery and equipment shall at once cease and determine.

Clause 12 of the Agreement: All disputes and questions in connection with the aforesaid agreement arising between the Association and the Government shall be referred for Arbitration to Vice Chairman, EBP/TDAP whose decision in the matter shall be final and binding.

Mr. Agha Saiddain, Chairman, PTA has categorically emphasized that all above major clauses of the Agreement, which are pivotal should **be kept on top priority before finalization** the Agreement with Aman Tech, Karachi as the TDAP (Formerly EPB) should be taken on Board in all respect before finalizing, **as the supreme authority of NILT as per spirit of the Agreement executed in 1994 between PTA & TDAP (formerly EPB)**. He also emphasized the need to award some portions/area of the NILT to Aman Tech for their activities and certainly to keep **patronage & control of the Institute by PTA/TDAP (formerly EPB) specially Administrative power** for the decision of the NILT for any sort of changes/amendments, so that the overall management of the NILT should remain with PTA/TDAP (former EPB). It was also the generated view of the House with the proposal of **Mr. Agha Saiddain, Chairman, PTA** to keep continue the Leather courses programme in NILT for catering to the needs of the Leather Industry in future with skilled labour **as the real essence of the NILT, Karachi as per above clauses of the Agreement**. It was also consented in the house to consider to pay the liabilities of NILT in general and to defray the Loans specially for Rs.2 Million payable to PTA either by NILT or Aman Tech, Karachi as was granted to them **as Loan**.

In this context, Mr. Kamran Habib, Sr. Vice Chairman, PTA offered Southern Zone members services with the induction of some members from Southern Zone in BOG, NILT for their participation for which Mr. M. Saleem Ahmed (Pak Leather) who was invited as special invitee for this specific subject also proposed to consider and replace those members of BOG who are not active in the deliberation/participation in BOG meetings to induct some new interested members of Southern Zone, Karachi in BOG, NILT in place of them, which was approved by the House for the incorporation of new Southern Zone members and accordingly asked Mr. Kamran Habib to submit the names of new interested members from Sothern Zone, Karachi. Therefore, the house approved the proposal of Aman Tech with the above reservations for further proceeding under the patronage of BOG, NILT, Karachi.

A request received from PTA N/Z, Lahore for the allocation of fund of Rs.1.2 million for meeting its recurring expenses was also discussed in detailed by the House, which was also elaborated by Mr. Mansoor Iqbal with previous proceeding made in this regard in earlier CEC Meeting.

Mr. Kamran Habib also shared the statistics of funds already released to both the Zonal offices by PTA Central on account of Pakistan Mega Leather Show, Lahore from 2016 uptill now, besides necessary subsidy @20% (i.e. Rs.2 Million) share which was determined by CEC for the last 4th PMLS'2018 out of Rs.20 million would also be disbursed to both the Zonal offices on its receipt from TDAP, Government of Pakistan, for which the Central Secretariat has been directed to further expedite the process for early release of subsidy from TDAP for onward reimbursement among both the Zonal offices for meeting their recurring expenses with facilitation & convenience.

However, in view of scarcity of fund in PTA N/z for meeting its recurring expenses, the house decided to make "**Advance Reimbursement**" of Rs.1.2 million out of their share of Rs.2 Million (@20% share of 4th PMLS'2018 subsidy amount receivable from TDAP), which would be adjusted on receipt of fund from TDAP, Karachi with the motive to facilitate Northern Zone office for meeting their recurring expenses with convenience

The House reviewed the Monthly accounts for the months of September, October and November'2018 minutely and approved the same with satisfaction.
